About Maidenhead and District Housing Association

We are a not for profit organisation dedicated to providing affordable and supported homes. We offer affordable homes to rent, shared ownership schemes, homes for the elderly and specialist accommodation for people who need support and care to live within the community.

We also provide homes for key workers such as teachers and firemen. All our homes are backed up by a range of housing services, including our own professional team of trades staff who provide a comprehensive repair and maintenance service.

We have properties in Berkshire, Buckinghamshire, Oxfordshire, Hampshire and Hertfordshire.

Maidenhead and District Housing Association is the trading name for Housing Solutions Limited. The Housing Solutions Group also includes:

Bridgewater Housing Association – a charitable company set up in 2006 specialising in providing homes for our older residents and those with learning disabilities.

Furnival Housing Limited – a Slough based registered social landlord with more than 100 homes, joined the Group in February 2006.

Board of Management

The Housing Solutions Group is overseen by a Board of Management which is responsible for managing the affairs of the Group. The Board of Management is made up of three resident representatives, nine independent members and two elected Councillors representing the Royal Borough of Windsor and Maidenhead.
